Webinar on Problematic and Harmful Sexual Behaviours

[View resources](#)

Chapter 1: Introduction

Introduction to Children and Young People's Sexual Development

Coming soon

Chapter 2: Foundations of Children and Young People's Sexual Development

Build your understanding of Children and Young Peoples' sexual development and developmentally expected sexual behaviours by age and stage

Coming soon

Chapter 3: Recognising Problematic and Harmful Sexual Behaviours (PHSB)

Build your capacity and confidence in a contextual understanding of sexual development and sexual behaviours. Support appropriate identification of behaviours as developmentally expected, problematic or harmful

Coming soon

Chapter 4: Responding to PHSB Concerns and Safeguarding

Understand the importance of identifying and responding appropriately (in a child-centred, non-stigmatising way) to Problematic and Harmful Sexual Behaviours

Coming soon

Chapter 5: Supporting Children, Young People and their families/carers

Explore trauma responsive and child-centred approaches to supporting Children and Young People and their families/carers

Coming soon

Chapter 6: Support for Professionals

Find out about the range of supports available to workers responding to Children and Young People's Problematic and Harmful Sexual Behaviours

Coming soon

Sexual Development & Behaviours

Together We Can brings together resources to help you prevent, recognise and respond to problematic and harmful sexual behaviour in children and young people.

Together We Can Resource Hub

Together We Can is currently being piloted. Access to the site is being shared as part of a testing and feedback period. Content is still under development and may change as the site continues to grow and improve.

View resources

Prevent

Explore resources related to building body safety, supporting safety online, and talking about consent and respectful relationships.

[Visit the website](#)

Recognise

These resources help you understand what may be developmentally typical, identify when further support or action is needed, and respond appropriately to concerns about a child or young person's safety or wellbeing.

Respond

Early support matters, and so does the way that support is provided. The first conversations, actions and decisions can shape what happens next and set the foundation for ongoing support, for all children and young people involved.
